- ✓ **Conclusion**

# Introduction

- ❖ **Garrison Commander since June 2019**

- ❖ Third assignment at APG

- ❖ **Previously with 20<sup>th</sup> CBRNE**

- ❖ **Married/Four children**

- ❖ **Incoming commander – COL Johnny Casiano**

- ❖ Currently with 2<sup>nd</sup> SFAB, Fort Bragg

# APG Current State

## STATS

- ❖ 94% workforce civilian/contractor
- ❖ 6<sup>th</sup> largest employer in MD with more than 21k employees
- ❖ Supports around 40k jobs
- ❖ Pay more than \$2.1 billion in wages annually
- ❖ APG Contracting - \$13 billion in FY20

## **APG remains committed to research and modernization efforts**

- ❖ AFC integration and alignments
  - ❖ Large portion of tenants/units under AFC
- ❖ Modernization = moving forward economically
  - ❖ Garrison engaged with the Aberdeen Economic Development Commission

## **APG/ALC alignment**

- ❖ APG help bridge gaps
  - ❖ Upgrade network builds more reliable communication
  - ❖ Updated equipment will enhance productivity

# COVID-19 Update

**Our COVID safety measures:**

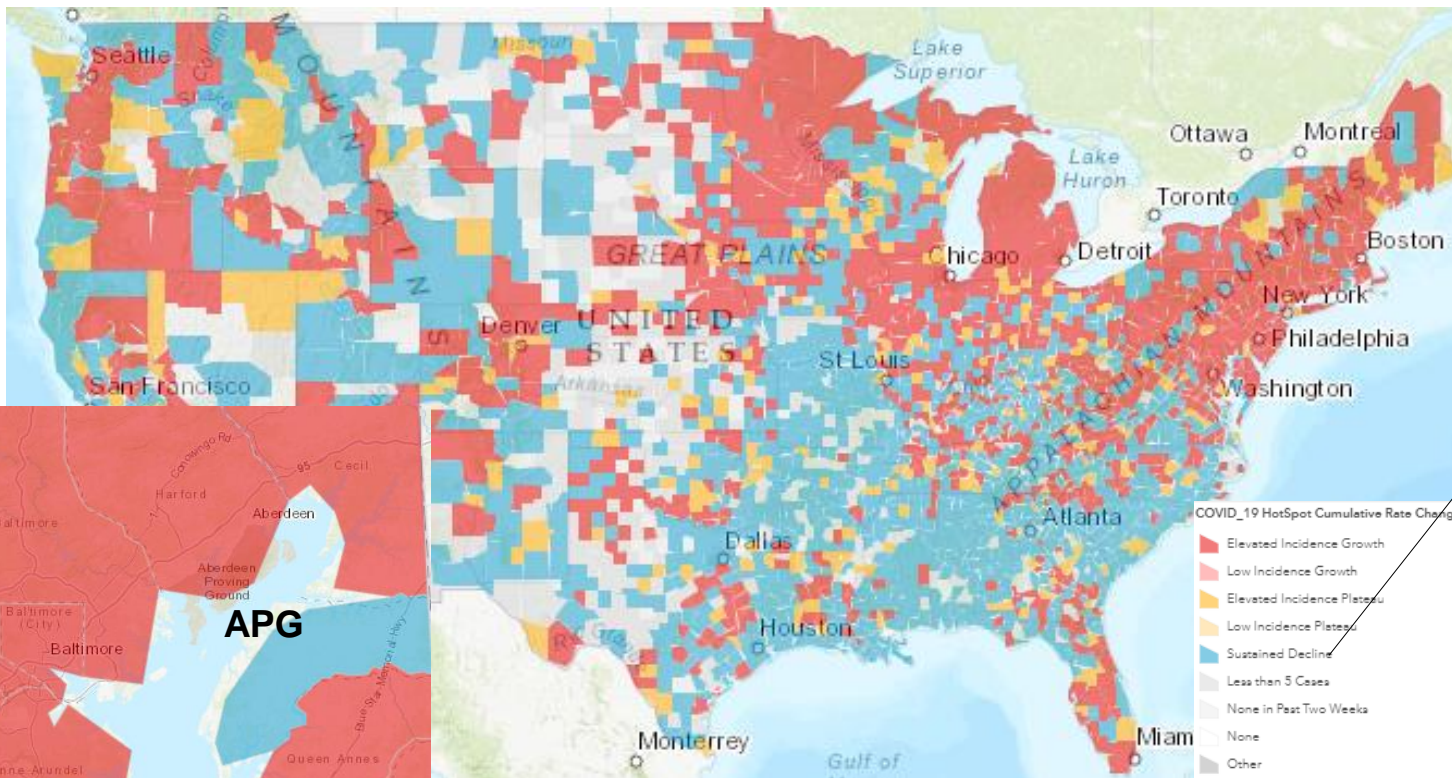

**#1 Protect the force**

**#2 stop the spread of COVID**

**80% of workforce is onsite**

**Vaccine clinics are doing remarkable**

**APG numbers look good compared to MD and Nation – even after restrictions lifted**

**Sustained Decline**

# Future Development

## New opportunities for Army and Federal/State Organizations

### ❖ Contaminated Facilities Reduction

Before

❖ FY21, we received an additional \$31 million to finish the phases

During

After

# Future Development

## New opportunities for Army and Federal/State Organizations

### ❖ EOC Upgrade

Current

### ❖ Athletic Field

### ❖ APG Dispatch Center

Last year's remodel completion of gym for ACFT training

Remodel of old parade field brings new athletic field for units to conduct the ACFT (still working)

# Infrastructure Development

**Key focus on transportation, water and wastewater, electrical, and communication.**

- ❖ Restructure pole lines to match electric systems
- ❖ Renovating the RNEC
- ❖ Public Health Center build
  - ❖ \$200 million
  - ❖ scheduled occupancy by end of 2021
- ❖ Next up:
  - ❖ Contracts for our EA water/wastewater systems

# Engagement Opportunities

## FMWR provides something for everyone

- ❖ 16 programs available with COVID safety measures in place
- ❖ Both gyms open with certain hours for eligible civilians, retirees, family
  - ❖ Looking to expand hours and add weekend times
- ❖ Golf course are open
- ❖ Bowling center open
  - ❖ Strike force café open
- ❖ Post theater just opened and will continue service
- ❖ Spesutie Marina scheduled to open next month
- ❖ Campgrounds, RV storage, recreation lodging and more!

# Engagement Opportunities

## Introducing ... iSportsman

- ❖ Full hunting and fishing experience through iSportsman available soon
- ❖ Current site located at <https://aberdeen.isportsman.net/>

- ❖ For more information on FMWR programs, events or to advertise go to <https://aberdeen.armymwr.com/>

## Additional Resource

- ❖ Help connects small business owners/companies with contract opportunities at APG
  - ❖ Of \$13 billion in contract obligations, \$4.8 billion went to small businesses in FY20
  - ❖ Never know when the opportunity will arise!
- ❖ More information at <https://osbp.apg.army.mil/>
